

TWO NETWORKS. ONE POWERFUL PHONE.

Introducing the new PowerSource™ phone, The Motorola Blend™ ic402.

Now you can have the power of both Sprint and Nextel in one phone.

The Motorola Blend brings together the strengths of the Nextel® and Sprint Networks to give you enhanced coverage where you need it.

You can take advantage of Nextel Walkie-Talkie functionality and Sprint Voice and data services with the ic402.

The ic402 is a great value in the PowerSource™ portfolio offering exceptional and affordable capabilities.

The Motorola Blend™ ic402

 **MOTOROLA**

- Nextel Nationwide Walkie-Talkie and Group Walkie-Talkie - connects you to all other Nextel users. Across town, across the country, and now even across borders to Latin America and Canada.
- Sprint Voice Service - Make clear quality voice calls everywhere.
- Sprint Data Service - Stay in touch and up-to-date with sprint Text Messaging and Web Access.
- Direct Talk - Use the off-network Walkie-Talkie service to keep in touch with others even when you're far beyond wireless coverage or when regular phone lines are unavailable.
- GPS Enabled - Know where you are and get where you are going.
- Small clam style with speakerphone and Java applications

NEXTEL |
only from Sprint

This offer is not available in all markets or retail locations. Nextel National Network reaches over 274 million people. Nationwide Sprint reaches over 280 million people. Coverage not available everywhere. Certain Sprint or Nextel services are not available on The Motorola Blend or other Sprint Nextel PowerSource phones. Environment and terrain may impact range and availability for Direct Talk service. Contact your local Sprint representative to determine availability and coverage. Available features and services vary by phone/network. Offers not available in all markets or locations. Additional terms and restrictions apply. ©2007 Sprint Nextel. All rights reserved.
